ON THE COVER

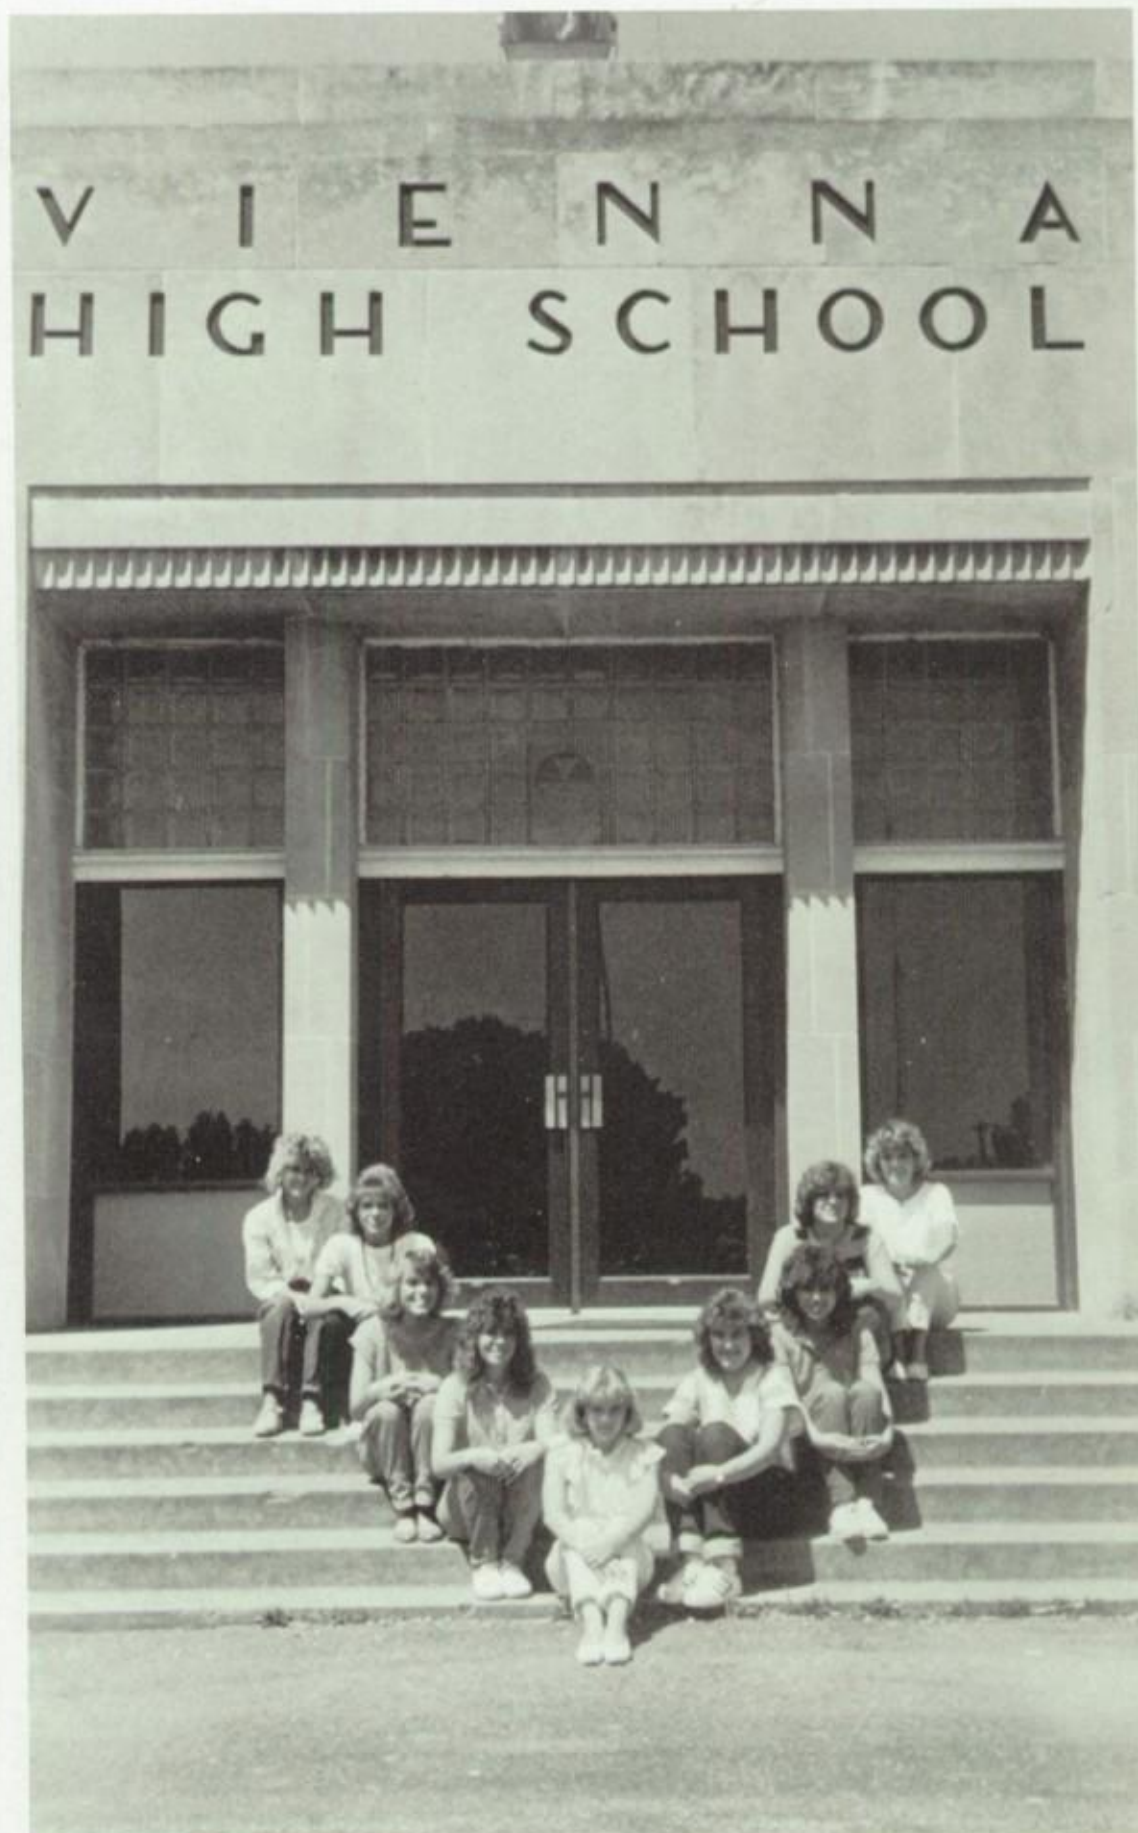

We would like to acknowledge Mr. Ned Trovillion for making our cover pictures and to Mrs. Karen Russell, our art instructor, for help in letter designs.

Illiana

1985

The staff of the ILLIANNA welcomes you to Vienna high school 1985. We have endeavored during the past school year to compile a kind of memory book for ourselves and our classmates. Perhaps "Memory Book" is not an accurate description because one book cannot record all the things that happen to a student in a high school year. Instead, we have here a collection of pictures and comments that we hope will cause the reader to recall his own experiences and perhaps bring a feeling of nostalgia.

Knowing that your high school days will probably be the happiest time of your life and that these experiences of early adulthood should be treasured in the years to come, we have tried to capture a little of the excitement of merely going to high school; with this in mind, we hope you will use your ILLIANNA to look back at all of the fun times we "TEENS" have had at V.H.S.

Teens at V.H.S.

Teacher's Horoscope

For you dreary teachers next year there is a rowdy bunch of freshmen. Get ready for a long 9 months straight ahead of babysitting with teenagers. Beware: they get worse every year. For the first 3 months it will be hard learning names and trying to teach them that they are no longer grade school students. The last month try to keep your patience when all the kids' minds are on summer vacation.

Freshmen Horoscope

Green and hyperactive describes the Freshman Class of 1984-85. In the month of June you will have joyful feelings because you have finished your "greeny" year. In the months of August and September, you will be "shocked and appalled" to see how you acted when you were a Freshman although there will be some of you to continue to act this way throughout your Sophomore year.

Dear Illianna

Dear Illianna,

Recently, I received an unexcused absence for telling the truth why I was late. I wasn't skipping and it was a legitimate reason for being late. If I had lied and said I was sick I would have recieved an excused absence. What should I have done?

Exam taker
Vienna, Il

DEAR EXAM TAKER,

IF YOUR OFFICE PERSONNEL WILL GIVE YOU AN EXCUSED ABSENCE BY LYING, THEN GO FOR IT!

Dear Illianna,

I have a problem with the way the administration handles snow days. One morning when it had snowed alot I turned on the radio but our school cancellation was not on there. I drove to school only to find out we were going to be dismissed in 15 minutes. I live about 20 miles from school and need to save gas whenever possible. Don't you think there is a problem here?

Money saver
Vienna, Il

DEAR MONEY SAVER,

I THINK YOUR ADMINISTRATION SHOULD TAKE OUT OF TOWN STUDENTS INTO CONSIDERATION WHEN JUDGING THE WEATHER. GAS IS VERY EXPENSIVE AND SHOULD BE USED WISELY.

Dear Illianna,

I am writing this letter concerning all school sales. This is when all four classes sell the same items at the same time to make profits for their class. The outcome of these sales shows such a low profit that I am wondering how a class can make any money? Don't you think we should sell different items at different times?

Concerned student
Vienna, Il

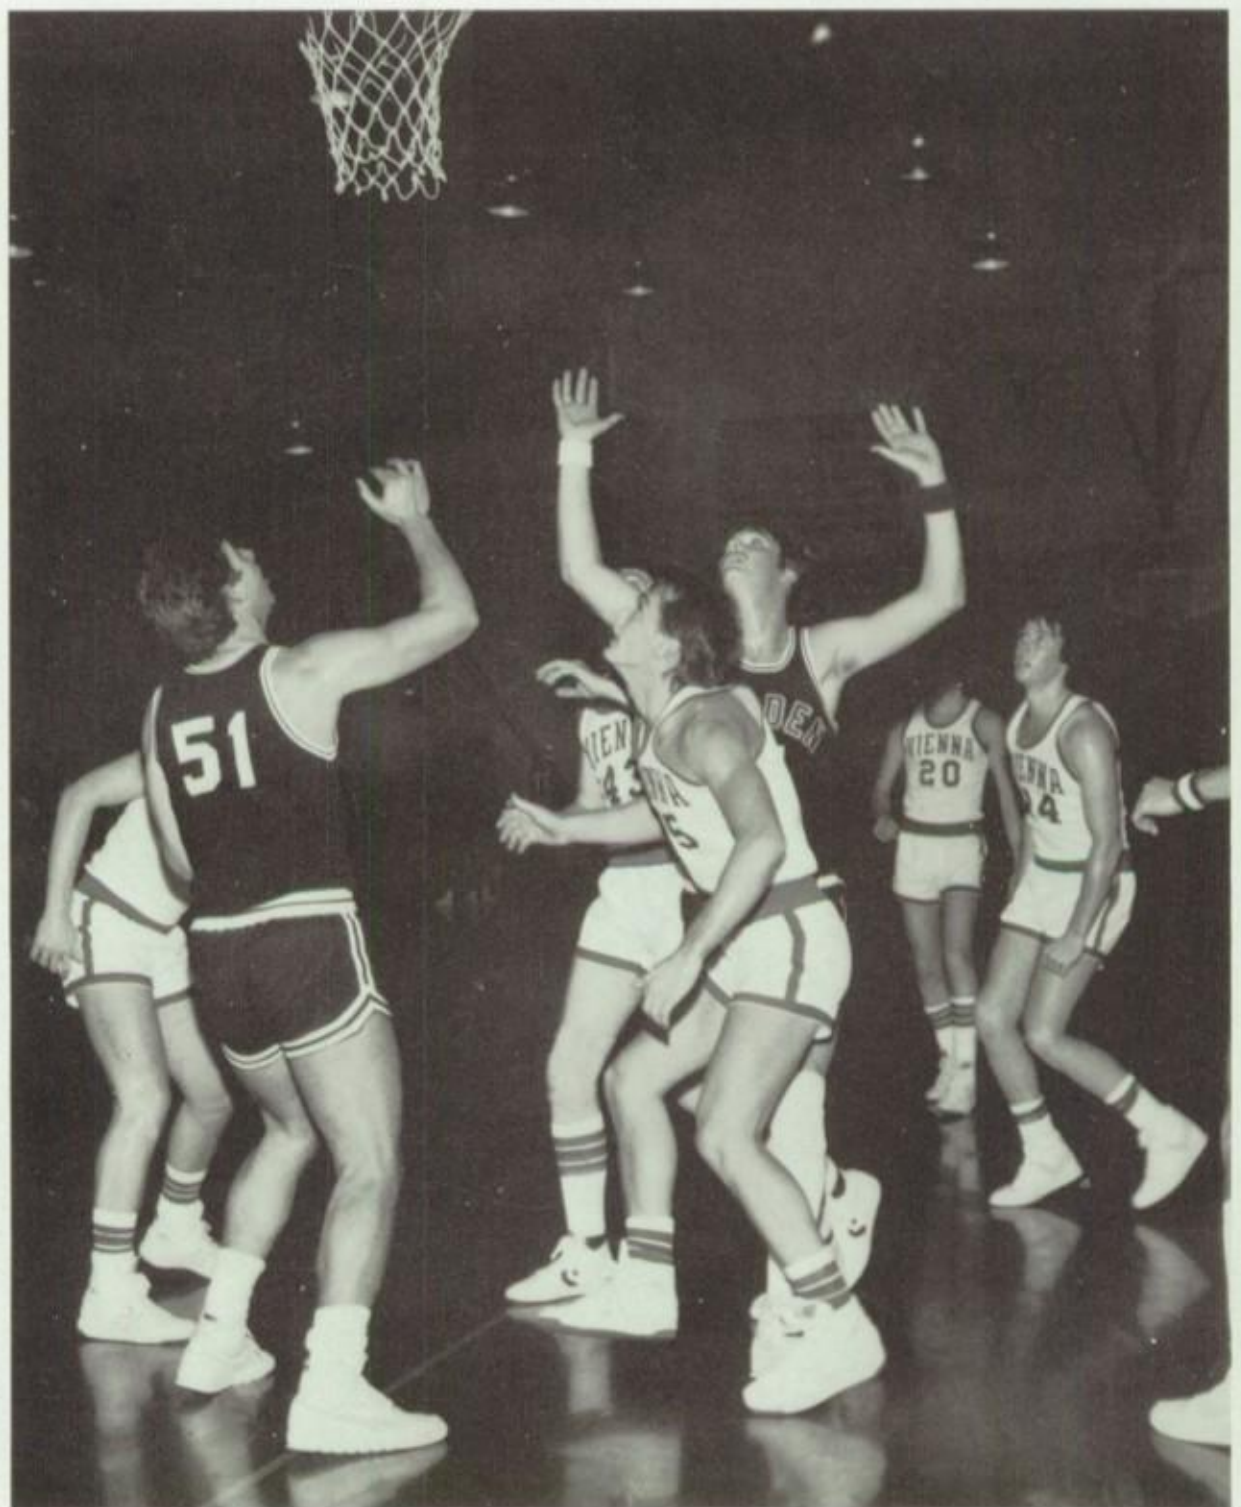

DEAR CONCERNED STUDENT,

I FEEL THAT YOU SHOULD BRING THIS UP TO YOUR SCHOOL BOARD AND SUGGEST SELLING DIFFERENT ITEMS AT DIFFERENT TIMES TO RAISE MORE MONEY.

Club Horoscope

To all club members, be sure to get all the sleep you can, you will lose a lot of it in order to get to your Club meetings on time. Don't let anyone talk you into having a school dance; in the end it will bring no profit for you. Fund raisers will be in full force. Get involved, school spirit is not only yelling at ballgames — it's also joining your school clubs.

His arrival has been preceeded by Sweet Lotta Bliss from London who plans to open a school. Seeking her is Lady Pilfer who brings news that Lotta's father has been left a fortune. Since Lotta refuses Whiplash's oily offer of wedlock, he decides to get her money by hastening her marriage to Jack Sunshine, who craves the bottle. A lady sheriff, orphans, temperance leader, Indian, and old prospectors add to the funny heart-rending drama of life in Death Valley.

Memories

'Tis here at last, this night of nights
Sweet music, dancing, soft dimmed lights
So laugh, and sing, all hearts be gay,
Recall, remember, each past school day.
Let us pause from our dancing,
remember the past.
Our share of memories, always will last.
Life's beckoning call, tomorrow we'll meet.
But tonight we'll hear only soft
dancing feet.
These are our memories...
Our High School years,
Our time we shared, our joys and
our fears.
This night together, will be our last,
Farewell to you...

of V.H.S.

So here it is — the 1985 *Illianna*. We, the staff, in putting it together, have gained not only experience, but a lot of memories too. Who among us could forget those traumatic deadlines or the frantic cry “Mrs. Kreuter . . .!” or the pleasure a new package of pictures brought. How can any of us forget the many times the film was lost or took forever to come in, but all in all everything worked out and got done on time. This year we used a theme and tried to carry it throughout the entire book. We hope you enjoy this yearbook as much as we did in creating it.
